About Ministry Placement and Support for the Outgoing Graduates.

ECC GRADUATES ENTER THE MISSION FIELD

Thank you for your faithful prayers, generous support, and ongoing partnership. Through your encouragement and God's grace, Evangelical Christian College continues to equip young men and women for Christ-centered leadership and Gospel ministry. Founded in 2020 through a God-given vision entrusted to Rev. Dr. Kewal Bahadur Khadka (Benjamin), ECC is committed to raising faithful Christian leaders for the Church and the mission field.

On August 20, 2026, ECC will hold its 3rd Graduation

Ceremony, commissioning 20 Bachelor of Theology graduates into God's harvest field. Equipped through sound theological education, spiritual formation, and practical ministry training, these graduates are ready to serve as pastors, evangelists, church planters, and Christian leaders.

We invite you to continue partnering with us in prayer as we prepare the next generation of Gospel workers for Nepal and beyond.

**Dr. Kewal Bahadur Khadka
(Benjamin K.C.)**

As our graduates and church planters move into the fields to which God has called them, they do so dependent upon God's faithful provision and the partnership of His people. We humbly ask for your continued prayers for their spiritual growth, wisdom, protection, and faithfulness to God's calling.

We also invite you to partner with them financially, as the ministries of evangelism, church planting, and leadership training depend greatly on the support of faithful friends and partners. Together, through God's provision and your partnership, we can advance the Gospel and strengthen His Church in Nepal.

*"The harvest is plentiful, but the laborers are few." —
Matthew 9:37*
